

Perme yourself and relax with world-class Biocare spa services. Try and experience why Biocare is the premiere place to be.

Every year, Biocare Skin Slimming and Spa Center, is getting better and better in offering services as well as beauty products to the people of Western Mindanao. As Zamboanga City's premiere beauty and medical center for 15 years, Biocare's clients are now been attended by visiting Manila-based medical consultants in the field of cosmetology and reconstructive surgery these past years.

Local people and around the region, who has the means, don't need to fly to Manila to enhance their physical features. It does not only save them from the high cost of plane fares, food, and accommodations costs, they are spare from the Manila horrible traffic. For practicality, all they need is to do is go to Biocare only and ask professional medical advises first from Biocare Cosmetic surgeons Dr. Chito Kapuno and Dr. Eric Salcedo.

Dr. Kapuno is a Fellow of the Philippine Society of Liposuction Surgery, Associate Member of the Philippine Society for Cosmetic Surgery, and a Fellow of the International College of Surgeons. Dr. Salcedo is a Fellow of the Philippine College of Surgeons and Cosmetic Surgery Institute-Manila.

These two good-looking and trusted doctors have been flying in and out of Zamboanga City for the last 5 years to the total physical, psychological, and emotional satisfactions of Biocare patients. After religiously following the medical advises of these doctors, they now look better, feel more confident and are grateful to Dr. Kapuno and Dr. Salcedo for a lifetime changing worth

it experience.

Both doctors said they love and appreciate the good life and culture of Zamboanga City. One time, Dr. Kapuno even celebrated his birthday here just to attend to his patients who are coming from other places.

Biocare Consultant Luz Rublico proudly announced, in connection with the Zamboanga Hermosa Festival, Biocare will be offering special discounts and promos of their services and high quality products throughout the month of October.

Dr. Kapuno and Dr. Salcedo will be arriving on October 23 and 24 for medical consultations and to perform the latest beauty skin and body surgical and enhancement procedures to scheduled patients at their main branch in Nuñez St., Zamboanga City.

Biocare has been accredited by the Department of Tourism and is recognized as one of the top spas in the Philippines by the Spa Association of the Philippines. The other branches of Biocare are located at Binondo and Greenhills, San Juan City.
