

In her honor as an active past president of both Zonta Club of Zamboanga City and the Mother Butler Mission Guild-Zamboanga Unit-8, the present officers and members of these organizations had a joint Christmas afternoon party for Dr. Pafia Carreon last December 18.

The lively party with exchange of gifts was held at her residence in San Jose. It was a toast for her leadership. Dr. Carreon is greatly admired for her virtues of kindness and generosity too by her family and friends. She led the two organizations with much gusto during her term.

Among those present were Zonta past presidents Mary Usman, Dr. Mila Fernandez, and Chit Ong, incoming Zonta prexy Nene Torres, Zontians Baby Gayonilo, Dr. Cely Racho, and Tita Corteza. The MBMG-Unit was led by Maritess Go. Special guest was MBMG past president Pilar Molina.

Here's wishing the best of the Christmas season to my fellow Zontians and members of all MBMG Units! May the peace and love brought by our Lord Jesus Christ reign in our hearts all the time.

To Dr. Carrreon, good health and good cheers!
