

Grace "Yan" Ciellen Onrubia-Co

Congratulations to Grace "Yan" Ciellen Onrubia-Co who graduated Cum Laude last March 30, 2012 from the University Santo Tomas with the degree Bachelor of Science in Communication Arts. She is the eldest daughter of Davao businessman George Co and Cecile Onrubia-Co of Zamboanga City. Cecile is the youngest daughter of the late former Dean of Student Affairs Dionie Onrubia of Ateneo de Zamboanga University and my sister the late Pilar Espiritu-Onrubia.

Yan graduated from high school in Davao City where her parents are both successful businessmen. Aside from excelling in academics, she is also active in extra-school activities. I wish that she will be a successful executive in the media someday that Zamboanga City can be proud of.

Another young lad whom I like to congratulate again is Ervy Gabriel Lauriaga Tan who also graduated Cum laude from UST with the degree in Bachelor of Science in Hotel Restaurant Management. Fondly called Gab-Gab, he is the son of my good friends Jung-Jung and Mercy Tan. I wish that he will be successful in his chosen field. Top of Form
