Men of the Culianan Police Station led by Sr. Insp. Elmer Perez Solon are investigating a robbery that took place at a house in Talabaan the other day.

Solon said the robbery took place at the house of Mary Jane Saavedra y Sungkipa at Enriquez Drive, Talabaan.

A police report disclosed that Saavedra appeared at the police station asking police to investigate the robbery they discovered around 6 a.m.

Ocular investigation conducted by the police showed that the robbers took P24,000 in cash, JI Samsung cellphone worth P5,000 and a Torque tablet worth P3,000.

Police said the robbers broke into the house through window where jalousie blades were detached.

Saavedra told the police that the valuables and the money were kept at the sala of the house.

Police added that the occupants of the house were asleep when the robbers entered the house.

Police lifted some fingerprints from the house that may lead in unmasking the robbers. – Dan Toribio
